Welcome to E-VOTE! This is a national wide database for America citizens to register to vote or enroll as a candidate. Anyone is able to find the results of previous elections.

Page's top and bottom bar's functionalities (same on all pages):
- E-VOTE is the page's home link (current page)
- Find Election will take you to the page where you can look up any elections and will render results
- Register is a dropdown to register as a new Voter or Candidate
- Login is a dropdown for Voters, Candidates, and website admins
- About the Website (at the bottom) will take you to a page about this website as well as links to my GitHub and LinkedIn pages
